

UNITED KINGDOM ASSOCIATION FOR EUROPEAN LAW

*The UKAEL brings together all those across the UK with an interest in
European Union Law*

MEMBERSHIP

Through lectures, conferences and other events the United Kingdom Association for European Law promotes a better understanding of EU law, encourages debate and discussion on current issues, and as the UK branch of FIDE, is part of an international network of European law associations.

The UKAEL was founded in 1974 and is recognised as a Charity. It represents United Kingdom lawyers in the International Federation for European Law (FIDE) which links the national associations of the Member States of the European Union by organising the biennial FIDE CONGRESS.

As a coordinator and promoter UKAEL brings together a variety of jurisdictions and interests, addressing practitioners, officials, academics and students alike.

The regular calendar offers a high profile Annual Address and at least one major conference. UKAEL also organises evening seminars on current topics in EU Law. For students there is the annual event 'EU Law in Practice' and a competition for sponsored attendance at the FIDE CONGRESS.

- any other persons, bodies or institutions as the Management Committee of the Association may consider to be in the interests of the Association
